

Here are a series of questions to explore in this week's tutorial:

1. What is Critical Reading?
2. How does Critical Reading differ from everyday reading?
3. How can Gibbs' Reflective Cycle help to structure the Reflective Report?
4. Give examples of reflective language to use when evaluating.
5. How have you used Critical Thinking over the last week? Share themes that you have been practising and reflecting on in your reflective journal.
6. Which parts of the Reflective Report have you completed? What is the deadline for the Reflective Report draft submission?
