

Discuss the following questions as a group to assess the progress made and key steps remaining,

1. Discuss together what you have done towards the project over the last week?

2. Review together how you envision the project and what you feel will be the most important aspects of the presentation.

3. From the information gathered, what are the most relevant aspects to include in the presentation?

4. What are the next steps required to complete the presentation?

5. Check with each group member to ensure they are clear about their individual role and any deadlines the group have set.
